Final presentation

WHAT IS A BUSINESS PLAN?

A Business Plan is the blueprint for building and growing a business.

IT ANSWERS:

 What problem are we solving?

 Who are our customers?

 How will we make money?

 What resources do we need?

 How will we grow?

WHY IT MATTERS

Guides decision making
Helps you stay focused and make better choices.

Attracts investors
Investors want to see a clear and well-thought-out plan.

Secures bank loans
Banks fund businesses that have a solid plan.

Aligns the team
Everyone works towards the same goals.

Reduces uncertainty
Helps you anticipate challenges and plan ahead.

ACTIVITY

Write your business vision in one sentence.

BUSINESS PLAN

A good plan today
creates a better tomorrow.

EXECUTIVE SUMMARY

The Executive Summary is the first page but should be **written last**.

WHAT TO INCLUDE

	Business Idea	What is your business?
	Problem	What problem are you solving?
	Solution	How will you solve it?
	Target Market	Who are your customers?
	Business Model	How will you make money?
	Funding Requirement	How much funding do you need?
	Vision	Where do you see your business in the future?

TIPS

- ✓ **Keep it concise**
1–2 pages maximum
- ✓ **Make it compelling**
Grab the reader's attention
- ✓ **Highlight key points**
Focus on the most important information
- ✓ **Write it last**
Summarize everything after completing your plan

“

Your Executive Summary is your **elevator pitch** on paper.
Make it powerful!

”

ACTIVITY

Write a 200-word executive summary for your business.

BUSINESS DESCRIPTION

Describe your business clearly and show what makes it unique.

PURPOSE

To give readers a clear understanding of who you are, what you do and why it matters.

“

Focus on the **value** you create and the **impact** you make.

”

ACTIVITY

Write a brief introduction of your company (3–4 lines).

COMPANY OVERVIEW
