CHOOSING THE RIGHT BUSINESS STRUCTURE

The right structure impacts your liability, taxes, compliance and ability to grow. Choose wisely based on your vision.

WHY IT MATTERS

- ✓ Protects your personal assets
- ✓ Affects taxes and compliance
- ✓ Builds credibility with customers & investors
- ✓ Enables smoother growth & fundraising

ACTIVITY

Based on your business idea, choose the most suitable structure and justify your choice.

KEY TAKEAWAY

There is no “one size fits all” – the best structure is the one that supports your goals today and scales with your vision tomorrow!

MAJOR BUSINESS STRUCTURES COMPARED

	 SOLE PROPRIETORSHIP	 PARTNERSHIP	 LIMITED LIABILITY PARTNERSHIP (LLP)	 PRIVATE LIMITED COMPANY	 ONE PERSON COMPANY (OPC)

*Tax rates are as per current regime and subject to change.

REGISTERING YOUR BUSINESS

Follow these essential steps to legally establish your business and get ready to operate.

“

A business that is registered is a business that is **respected**.

YOUR STARTUP REGISTRATION ROADMAP

COMMON DOCUMENTS YOU WILL NEED

- ✓ Identity Proof (Aadhaar / Passport)
- ✓ Address Proof
- ✓ Photographs
- ✓ PAN Card
- ✓ MOA & AOA / Partnership Deed (if applicable)
- ✓ Proof of Registered Office Address

ACTIVITY

Create your business registration roadmap and list the steps you need to complete.

- What is your current status?
- What is pending?
- What support or information do you need?

KEY TAKEAWAY

A strong start begins with the right registration. Get it right, build trust, and unlock opportunities for growth!

Pro Tip:

Use government portals and certified professionals for a smooth and error-free registration process.

LEGAL & REGULATORY COMPLIANCE

Compliance is not just a legal requirement—it builds trust, avoids penalties and helps your business grow sustainably.

FUNDING OPTIONS FOR YOUR STARTUP

Every startup needs capital to launch, grow and scale. Explore the right funding options at the right time.

“

Funding is not just about money. It's about partnership, belief and shared vision.

SOURCES OF FUNDING

1. BOOTSTRAPPING

- Self-funding from personal savings
- Full control of your business
- Best for early stages

2. FRIENDS & FAMILY

- Capital from people you know
- Flexible terms
- Keep communication transparent

3. ANGEL INVESTORS

- Invest in early stage startups
- Provide capital + mentorship
- Look for high potential

4. VENTURE CAPITAL

- Invest in high growth startups
- Larger ticket sizes
- Expect scalability and strong returns

5. BANK LOANS

- Term loans, working capital loans
- Lower cost of capital
- Requires collateral / security

6. GOVERNMENT SCHEMES & GRANTS

- Startup India, MUDRA, Stand Up India, CGTMSE
- Grants, subsidies and collateral free loans
- Research and apply early

7. CROWDFUNDING

- Raise small amounts from a large number of people
- Validates your idea
- Builds early community

8. STRATEGIC PARTNERSHIPS

- Partner with companies for funding and support
- Access to markets, expertise and resources

Choose the right funding at the right stage. Match your need with the right source.

WHY IT MATTERS

- ✓ Ensures you have the resources to grow
- ✓ Helps you choose the right partners
- ✓ Suitable funding reduces financial stress
- ✓ Strengthens credibility with stakeholders
- ✓ Supports innovation and market expansion

ACTIVITY

Select the most suitable funding option for your startup idea. Explain your choice.

- What stage is your startup in?
- How much funding do you need?
- Who is your ideal funding partner?
- What will you use the funds for?

KEY TAKEAWAY

Money follows value. Build value, show traction, and funding will follow.

FUNDING MANTRA

Right Idea + Right Team + Right Execution
+ Right Funding = Sustainable Growth

PRO TIP

Prepare a strong pitch deck, know your numbers and show how you will create impact.

REMEMBER

It's not about how much money you raise, but how wisely you use it!
