1. YOUR CAREER PROFILE

Taaha, your Individuality Profile (21.00/25) is exceptional — a perfect Emotional Intelligence score (5.00/5), near-perfect Empathy (4.50/5), outstanding Verbal skills (8.00/10), and strong Administrative ability (7.00/10) create a profile built for public service, social leadership, education, and human welfare. Your five recommended careers — Political Science, Public Administration, Social Work, Home Science, and Professor/Lecturer — are all unanimously supported by Arts & Humanities, and all draw on the remarkable combination of human depth and communication excellence you already possess.

Your Core Strengths

Strength	Score	Career Relevance
Emotional Intelligence	5.00 / 5	A perfect score — the rarest possible result and the single most defining quality for Social Work (client crisis management), Public Administration (stakeholder leadership), Political Science (political navigation), and teaching (classroom emotional climate).
Empathy	4.50 / 5	Near-perfect — the foundation of Social Work (client wellbeing), Public Administration (citizen-centred policy), Home Science (family welfare), Political Science (constituency understanding), and educational leadership (student-centred teaching).
Verbal Skills	8.00 / 10	Outstanding communication ability — the primary competency for Professor/Lecturer (teaching), Political Science (debate and policy writing), Public Administration (government communication), and Social Work (client and community advocacy).
Administrative Skills	7.00 / 10	Strong organisational ability — directly supports Public Administration (government programme management), Social Work (case management), Home Science (institutional management), and academic administration (Professor/Lecturer).
Exploration & Efficiency	4.00 / 5 each	Joint-high Individuality traits — Exploration drives curiosity in political research and social science inquiry; Efficiency ensures that Taaha's exceptional empathy and communication translate into professional productivity and results.

Areas to Develop

Area	Score	Development Suggestion
Numerical & Logical Skills	4.00 / 10 each	Both equal and need development — Social Work (statistics), Public Administration (policy data), Political Science (research methodology), and Home Science (nutrition data) all require quantitative and analytical reasoning; target 6+/10 by Grade 12.
Realistic & Artistic Interest	0.00 / 5 each	Build Realistic orientation through community service, fieldwork, and government office visits; Artistic is most relevant for Professor (curriculum creativity) and Political Science (communication design) — develop through creative writing and media engagement.
Investigative Interest	1.00 / 5	Needs strengthening for Political Science research, Social Work assessment, and academic research (Professor) — develop through current affairs reading, social science projects, and policy analysis exercises from Grade 9.

2. YOUR CAREER INTERESTS & MOTIVATIONS

Your assessment explored different types of career interests. Understanding these helps identify roles where you will feel naturally engaged and motivated.

Interest Type	Score	Career Implications
Social (Helping & Serving)	3.00 / 5	Highest passion interest — confirms all five careers: Social Work (direct people service), Public Administration (citizen governance), Political Science (public leadership), Home Science (family welfare), and Professor (student education).
Enterprising (Leadership)	2.00 / 5	Supports career advancement to Senior Social Worker, IAS/IPS Officer, Political Leader, Dean/Head of Department; develop through student council, MUN, and community project leadership.
Conventional (Organised)	2.00 / 5	Supports government procedure compliance (Public Administration), case documentation (Social Work), academic record-keeping (Professor), and structured home science practice; develop through structured academic habits.

4. YOUR ACADEMIC ROADMAP

Recommended Stream for Grade 10–12: Arts & Humanities

Arts & Humanities is the unanimous and unambiguous primary stream — listed three times explicitly, with the fourth entry offering Arts & Humanities or Science (Arts remains primary). All five recommended careers are rooted in Humanities and Social Sciences: Political Science and Public Administration require History, Political Science, and Economics; Social Work requires Sociology and Psychology; Home Science is a Humanities/Science interdisciplinary subject; Professor/Lecturer requires deep subject knowledge in a chosen Humanities discipline. Taaha's outstanding Verbal (8/10) and Administrative (7/10) will be powerfully developed through rigorous Humanities study that demands reading, writing, argumentation, and structured analysis.

Stage	Recommendation
Grade 10–12 Stream	Arts & Humanities (Primary) — listed 3 times unanimously; directly supports all five careers: Political Science (History, Political Science), Public Administration (Political Science, Economics), Social Work (Sociology, Psychology), Home Science (subject itself), and Professor/Lecturer (any Humanities subject).
Core Subjects	Political Science (mandatory for Political Science and Public Administration career pathways), History (analytical foundation), Sociology or Psychology (Social Work and Home Science foundation), English (develops Verbal from 8/10 to near-perfect), Economics (Public Administration and Policy).
Priority Development	Logical and Numerical (both 4/10) must improve to 6+ for UPSC CSAT, social science research statistics, and policy data analysis — begin structured reasoning practice and basic statistics from Grade 10 alongside Humanities study.
Entrance Exams	CUET for BA Political Science / BA Sociology / BA Social Work / B.Sc. Home Science at Central Universities; CLAT for Law (optional Law component); UPSC CSE (post-graduation) for IAS/IFS; TISS-NET for MA Social Work at TISS; B.Ed. entrance for teaching pathway.
