

CAREER GUIDANCE REPORT

Student Name: Arcot Mohamed Zaidan Fareez

Grade: 9

Report Generated by

MentorMe Career Intelligence & Training Pvt. Ltd.

www.mentormeright.com | +91 8188824440 | admin@mentormeright.in

1. YOUR CAREER PROFILE

Zaidan, your most distinctive asset is near-perfect Verbal skills (9.00/10) — one of the highest Verbal scores in any assessment and exceptionally valuable in medicine, where the ability to communicate with patients, document clinical findings, and explain treatment plans clearly is what separates good doctors from great ones. Combined with strong Empathy (4.00/5), Efficiency (3.75/5), and three equal technical skills at 6/10 (Numerical, Logical, Mechanical), you have a solid foundation for all five recommended careers in Naturopathy, Medicine & Surgery, Siddha, Unani, and Homeopathy — all unanimously confirmed by PCB across every subject entry.

Your Core Strengths

Strength	Score	Career Relevance
Verbal Skills	9.00 / 10	Near-perfect score — outstanding clinical communication ability is the most differentiating quality in medicine; supports patient history-taking (MBBS), therapeutic counseling (Naturopathy, Homeopathy), and treatment explanation in Siddha and Unani practice.
Empathy	4.00 / 5	Strong patient-care foundation — Empathy is the most important doctor-patient quality; supports therapeutic relationships in Naturopathy, Homeopathy, Siddha, and Unani (traditional systems rely heavily on individualised patient understanding).
Efficiency	3.75 / 5	Precision under clinical pressure is essential — surgical procedures (MBBS), naturopathic treatment protocols, case management, and traditional medical formulation all demand operational accuracy and speed.
Numerical, Logical & Mechanical	6.00 / 10 each	Triple equal technical scores at 6/10 — balanced quantitative profile supports medical dosage calculations, clinical reasoning, diagnostic logic, and equipment operation across all five medical careers.

Areas to Develop

Area	Score	Development Suggestion
Administrative Skills	4.00 / 10	Lowest technical score — clinical documentation, prescription records, and patient case management are administrative fundamentals across all five medical careers; develop through structured note-taking and organised study habits from Grade 9.
Engagement	2.75 / 5	Lowest Individuality trait — medical programmes are the longest undergraduate commitments in India (MBBS 5.5 years; BNYS/BSMS/BUMS/BHMS 5.5 years); build sustained focus through long-cycle projects and structured study routines from Grade 9.
Artistic & Conventional Interest	0.00 / 5 each	Artistic is less critical for medical careers but supports patient communication design; Conventional (procedural discipline) is very important in medicine — build through systematic lab documentation and clinical protocol adherence from Grade 11.

2. YOUR CAREER INTERESTS & MOTIVATIONS

Your assessment explored different types of career interests. Understanding these helps identify roles where you will feel naturally engaged and motivated.

Interest Type	Score	Career Implications
Investigative (Analytical)	2.00 / 5	Highest passion — clinical diagnosis, herbal pharmacology research, and individualised patient case analysis are all investigative activities central to every recommended medical career.

3. YOUR CAREER PATHWAYS — MATCHED TO YOUR PROFILE

Based on your Individuality Profile, Passion Exploration, and Skill Proficiency, the following careers have been identified as your best matches.

EXCELLENT FIT Careers (Top 5)

Career	Salary (India)	Why It Fits You
Naturopath (BNYS Doctor)	₹4L → ₹30L+	Verbal (9/10) for comprehensive lifestyle and dietary counseling; Empathy (4/5) for holistic patient relationship building; Investigative (2/5) for natural therapy research; NEET-UG and PCB stream required for BNYS degree.
MBBS Doctor / Surgeon	₹6L → ₹60L+	Verbal (9/10) for patient communication and clinical documentation; Empathy (4/5) for patient trust; Logical (6/10) for differential diagnosis; Mechanical (6/10) for surgical instruments; PCB and NEET-UG required; India's most prestigious medical career.
Siddha Practitioner (BSMS Doctor)	₹4L → ₹25L+	Verbal (9/10) for patient history-taking in classical Siddha consultation; Investigative (2/5) for Tamil classical medicine research and pulse diagnosis; Empathy (4/5) for personalised treatment; PCB and NEET-UG required.
Unani Doctor (BUMS)	₹4L → ₹25L+	Verbal (9/10) for Mizaj (temperament) assessment and patient counseling; Empathy (4/5) for individualised Unani treatment; Investigative (2/5) for Greco-Arabic classical medicine research; PCB and NEET-UG required.
Homeopathic Doctor (BHMS)	₹4L → ₹25L+	Verbal (9/10) is the most critical Homeopathy competency — detailed patient case-taking (miasmatic history, mental-emotional symptoms) is entirely verbal; Empathy (4/5) for deep patient trust; Investigative (2/5) for materia medica research; PCB and NEET-UG required.

GOOD FIT Careers (Top 5)

Career	Salary (India)	Why It Fits You
Ayurvedic Doctor (BAMS)	₹4L → ₹25L+	Closely related to the five recommended systems — Verbal (9/10) for Prakriti assessment and Ayurvedic consultation; Empathy (4/5) for lifestyle counseling; Investigative (2/5) for classical text and herb research.
Medical Writer / Healthcare Communicator	₹5L → ₹35L+	Directly channels Verbal (9/10) — medical degree combined with exceptional communication ability opens medical journalism, clinical content writing, patient education, and pharmaceutical communication careers.
Clinical Researcher / Medical Research Officer	₹5L → ₹30L+	Extends Investigative (2/5) and medical qualification — conducting clinical trials for traditional medicine systems (AYUSH research), pharmaceutical efficacy studies, and public health research.
Integrative Medicine Specialist	₹6L → ₹40L+	Bridges MBBS and traditional medicine systems — combining conventional and alternative treatment; growing demand in urban wellness and premium healthcare; Verbal (9/10) for complex patient communication.
Public Health Officer (Medical Background)	₹5L → ₹30L+	Any medical degree opens government public health careers — Verbal (9/10) for community health education, Empathy (4/5) for community welfare, Administrative (4/10, developing) for programme management.

4. YOUR ACADEMIC ROADMAP

Recommended Stream for Grade 10–12: Science with PCB

Science with PCB is the unanimous and absolute stream recommendation — all four subject entries are PCB, leaving no ambiguity. Every single recommended career requires PCB and NEET-UG; there is no alternative stream pathway for any of the five careers. The strategic advantage of Zaidaan's career cluster is that one preparation path (PCB + NEET) opens all five doors simultaneously — MBBS, BNYS (Naturopathy), BSMS (Siddha), BUMS (Unani), and BHMS (Homeopathy) are all NEET-based admissions. Begin Biology with full commitment from Grade 9. Zaidaan's near-perfect Verbal (9/10) will be an exceptional asset in clinical reasoning and patient communication throughout every medical programme.

Stage	Recommendation
Grade 10–12 Stream	Science with PCB — unanimous and absolute; all four subject entries are PCB without exception. Biology is the most critical subject for NEET-UG and is mandatory for every recommended degree: BNYS (Naturopathy), MBBS, BSMS (Siddha), BUMS (Unani), and BHMS (Homeopathy).
Core Subjects	Biology (most critical — anatomy, physiology, biochemistry directly underpin all five medical degrees; must be maintained at distinction level for NEET), Chemistry (pharmacology, biochemistry), Physics (medical equipment, biophysics), English (Verbal 9/10 is already exceptional — continue developing through reading and writing).
NEET Priority	NEET-UG is the single entrance gate to all five recommended degrees — begin NEET Biology intensively from Grade 11. A strong NEET score opens MBBS and all AYUSH (BNYS/BSMS/BUMS/BHMS) programme admissions. Numerical and Logical (both 6/10) support Chemistry and Physics NEET components.
Career Decision	Zaidaan can keep all five options open through Grade 12 — a single PCB stream and NEET preparation serves every recommended career. The choice between MBBS and AYUSH systems (Naturopathy, Siddha, Unani, Homeopathy) can be made based on NEET rank and personal preference after examination results.
Extra-Curricular	Hospital or clinic visit (identify which medical system resonates most — visit a Homeopathy clinic, Unani dispensary, Naturopathy centre, and allopathic hospital), biology olympiad, first aid certification, health camp volunteering, medical documentary reading/viewing on traditional medicine systems.

5. EDUCATION PATHWAYS (UG → PG)

Undergraduate (UG) Options

Programme	Duration	Career Leads To
BNYS (Bachelor of Naturopathy & Yogic Sciences)	5.5 Years + internship	Naturopath, Naturopathic Physician, Wellness Centre Director, Yoga-Naturopathy Practitioner, AYUSH Health Officer, Sports Naturopath
MBBS (Bachelor of Medicine & Bachelor of Surgery)	5.5 Years + internship	General Physician, Surgeon, Specialist Doctor (MD/MS), Hospital Consultant, Medical Officer, Medical Researcher, Government Medical Officer
BSMS (Bachelor of Siddha Medicine & Surgery)	5.5 Years + internship	Siddha Physician, Classical Tamil Medicine Practitioner, AYUSH Officer, Siddha Research Scientist, Traditional Medicine Consultant
BUMS (Bachelor of Unani Medicine & Surgery)	5.5 Years + internship	Unani Physician, Hakeem, AYUSH Medical Officer, Unani Pharmacologist, Traditional Medicine Researcher, Greco-Arabic Medicine Consultant
BHMS (Bachelor of Homeopathic Medicine & Surgery)	5.5 Years + internship	Homeopathic Doctor, Classical Homeopath, AYUSH Health Officer, Homeopathic Research Scientist, Wellness Practitioner

Postgraduate (PG) Options

PG Programme	Specialisation Focus
MD (Doctor of Medicine) / MS — after MBBS	Specialist qualification in chosen medical discipline; opens specialist consultant, hospital department head, and academic medicine careers.
MD (Ayurveda / Siddha / Unani / Homeopathy / Naturopathy)	Post-graduate specialisation in AYUSH systems; opens AYUSH senior physician, research officer, and academic faculty careers at government AYUSH universities.
MPH (Master of Public Health)	Advanced public health policy and programme management; medical degree + MPH opens WHO, UNICEF, government health ministry, and global health organisation careers.
MSc Medical Writing / PG Medical Communication	Channels Verbal (9/10) through a medical degree into specialist medical writing, pharmaceutical communication, and clinical content development careers.
Fellowship in Integrative Medicine	Advanced training combining conventional and traditional medicine systems; opens premium wellness, integrative hospital, and international complementary medicine practice.

6. ENTRANCE EXAMS & PREPARATION TIMELINE

Exam	For Admission To	Preparation Timeline
NEET-UG	MBBS at government and private medical colleges; BNYS / BSMS / BUMS / BHMS at AYUSH colleges — the single entrance examination for all five recommended degrees	Begin Biology and Chemistry intensively from Grade 10; NEET is the universal gateway to all five careers; Verbal (9/10) supports Biology comprehension and Medical English components; Logical (6/10) and Numerical (6/10) support Physics and Chemistry.
AIAPGET (All India AYUSH PG Entrance)	MD/MS in Naturopathy, Siddha, Unani, or Homeopathy — post-graduation in AYUSH systems	Begin UG Year 3–4 preparation; tests clinical knowledge and AYUSH system theory; Verbal (9/10) is an exceptional asset for the clinical case analysis components of AYUSH PG examinations.
NEET-PG (for MBBS post-graduation)	MD/MS at government and private medical colleges — after MBBS graduation	Begin from MBBS Year 3; Logical (6/10) and Investigative (2/5) orientation support NEET-PG clinical reasoning; Verbal (9/10) supports the essay and communication components of clinical specialisation.
UPSC / State PSC (Medical Officer pathway)	Government Medical Officer positions at CHC/PHC level — accessible with any of the five medical degrees	Begin awareness from UG Year 3; Verbal (9/10) is a powerful asset in UPSC essay and interview; any of the five medical degrees makes Zaidan eligible for AYUSH and allopathic government health service positions.
WHO / ICMR Research Fellowship	Medical research career at international and national research organisations — post-graduation	Long-term target; Investigative (2/5) orientation and Verbal (9/10) for research publication writing position Zaidan well for clinical research fellowships after any medical degree completion.

7. RECOMMENDED COLLEGES & UNIVERSITIES

Premier Institutions for Medicine & AYUSH Systems

Institution	Location	Programme
JIPMER / AIIMS — MBBS	Puducherry / New Delhi + 14 campuses	MBBS — India's most prestigious medical institutions; NEET-UG entry; government fees; exceptional clinical training and research infrastructure; AIIMS alumni are India's most respected physicians.
SDM College of Naturopathy & Yogic Sciences	Ujire, Karnataka	BNYS — India's most prestigious Naturopathy institution; NEET-UG entry; exceptional clinical training in all natural therapy modalities and yoga sciences.
Government Siddha Medical College, Chennai	Chennai, Tamil Nadu	BSMS — India's premier Siddha institution; government fees; NEET-UG entry; exceptional classical Tamil medicine education and AYUSH government placement.
Ajmal Khan Tibbiya College / NIUM Bengaluru	Aligarh / Bengaluru	BUMS — India's leading Unani institutions; Tibbiya College is one of the oldest Unani colleges; NIUM (National Institute of Unani Medicine) is premier for BUMS and MD Unani.
National Homeopathy Research Institute / Govt. Homeopathy College	Kottayam / State Capitals	BHMS — government homeopathy colleges across India; NEET-UG entry; minimal fees; Kerala is India's strongest homeopathy state with highest practice density.

Additional Strong Options

Institution	Location	Programme
Government Medical Colleges (State — MBBS)	State Capital Cities	MBBS via NEET-UG state quota — most affordable medical education in India with government-subsidised fees; excellent clinical training through state hospital networks.
Manipal / SRM / Amrita / JSS (Private MBBS)	Manipal / Chennai / Coimbatore / Mysore	MBBS at India's top private medical universities; NEET-UG entry; higher fees but excellent clinical infrastructure, international exchange, and research programmes.
Government Unani / Siddha Medical Colleges (South India)	Tamil Nadu / Kerala / Karnataka / Andhra Pradesh	BSMS / BUMS at state government colleges — most accessible and affordable AYUSH pathway; NEET-UG entry; strong state AYUSH department employment placement.
Transdisciplinary University (TDU) Bengaluru	Bengaluru, Karnataka	B.Sc. Traditional Knowledge & Practices / Integrative Health — unique interdisciplinary institution bridging traditional and modern medicine systems; strong research culture.
Rajiv Gandhi University of Health Sciences (RGUHS)	Bengaluru, Karnataka	Affiliating university for MBBS, BSMS, BUMS, BHMS, BNYS in Karnataka — one of India's largest health science universities; covers all five recommended degree programmes.

8. YOUR NEXT STEPS

To receive a personalised and detailed career roadmap tailored specifically to your goals, strengths, and preferences, we recommend booking a one-on-one counselling session with our expert team.

During this session, we will guide you on:

- Detailed education roadmap planning
- Stream and subject selection clarity
- Best-fit colleges in India or abroad based on your profile
- Financial planning and scholarship opportunities
- Complete admission support for colleges in India and abroad
- Application guidance, SOP support, and interview preparation

Connect with MentorMe Career Intelligence & Training Pvt. Ltd. to take the next confident step in your academic and professional journey.

9. OUR GLOBAL UNIVERSITY NETWORKS

MentorMe provides structured university admission support across India and internationally.

Countries We Support for University Admissions

ASIA: India | Singapore | Japan | Malaysia | Vietnam | China | South Korea

EUROPE: UK | Austria | France | Germany | Ireland | Finland | Hungary | Netherlands | Switzerland | Spain | Denmark | Lithuania | Poland | Malta | Belgium | Monaco | Cyprus

NORTH AMERICA: USA | Canada

Additional Study Destinations: Dubai | Russia | New Zealand | Australia

Region	Network Reach
India	100+ Universities
Worldwide	1500+ Universities
